7 MINDSETS

Implementation Toolkit

A comprehensive approach to implement the 7 Mindsets at the highest level of engagement based on data, goals, and feedback. Each section provides strategies and space to document notes and anticipated timeline.

PHASE ONE: GETTING STARTED		
BEST PRACTICE	**STRATEGIES**	**NOTES**
Identify a Dream Team	☐ Communicate team expectations, implementation questions, progress, and supports ☐ Promote positive relationships and communication ☐ Provide a framework for how mindsets and well-being impact academic instruction ☐ Support how common language is utilized beyond the use of the curriculum ☐ Promote the value of 7 Mindsets schoolwide ☐ Advocate for student and adult well-being ☐ Utilize teaching strategies in daily instruction ☐ Attend PD & coaching opportunities when offered	
Communicate Implementation Plan and Expectations	☐ Become familiar with the 28 learning objectives ☐ Plan and attend PD Event ☐ Schedule and attend Coaching Sessions ☐ Utilize common language ☐ Review Scope and Sequence Documents ☐ Communicate when 7 Mindsets lessons will be taught, who will facilitate, and who will monitor ☐ Enrich the environment with posters from the Resource Hub ☐ Determine where student artifacts and teacher contributions will be displayed ☐ Plan for schoolwide/districtwide activities and projects	
Intentionally Model the 7 Mindsets	☐ Model mindsets-based approaches for students and staff ☐ Consider how often you will engage in 7 Mindsets activities ☐ Provide memorable experiences for students ☐ Determine how you will engage staff and grow their capacity	

PHASE TWO: SUSTAINING MOMENTUM

BEST PRACTICE	STRATEGIES	NOTES
Involve Students, Educators, and Community	☐ Consider how students can deepen their engagement by co-leading and contributing to activities ☐ Consider who will review teacher progress and feedback to support forward progress ☐ Consider how you will recognize and celebrate teachers meeting and exceeding expectations ☐ Consider pairing educators or encouraging departments and teams to collaborate on best practices, what's working, and areas of improvement ☐ Consider how you will communicate 7 Mindsets activities with families and the community	
Enrich the Environment	☐ Encourage educators to continue sharing student work to keep students excited and engaged ☐ Consider 7 Mindsets resources and activities to use in faculty meetings and who will lead the activities	

PHASE THREE: FINISHING STRONG

BEST PRACTICE	STRATEGIES	NOTES
Utilize Staff Feedback	☐ Review staff feedback and progress on the Leader Dashboard ☐ Provide an opportunity for staff to share reflections individually or in teams.	
Highlight Successes	☐ Communicate celebrations and share implementation success in newsletters and on the school website ☐ Recognize student growth ☐ Highlight staff efforts and accomplishments	
Post-plan for Future Success	☐ Review the days/times lessons are taught ☐ Review Dream Team's expectations and responsibilities ☐ Brainstorm ideas to further enrich the environment ☐ Reflect on youth voice and student engagement ☐ Review upcoming academic calendar and 7 Mindsets Curriculum Tools ☐ Consider future training and Coaching Opportunities
